Covid Update

Lockdown easing: What's changing in England from 17 May?

People can meet in groups of up to 30 outdoors

Six people or two households can meet indoors with overnight stays allowed

Pubs, restaurants, bars and cafes allowed to serve customers indoors

Museums, theatres and cinemas can open

Hotels, hostels and B&Bs can reopen

Adult indoor group exercise classes can restart

People urged to be cautious about hugging close friends and family

On Friday 14 May [the Prime Minister announced](#) that we have seen further clusters of the new COVID-19 variant (B.1.617.2), especially in some areas of England and set out the measures needed to tackle this new Variant of Concern. Given the increased risk of transmitting COVID-19 in areas where the new variant is spreading fastest, everyone is advised to take particular caution when meeting anyone outside your household or support bubble in these areas. This will keep yourself and others safe. In particular, wherever possible, you should try to:

- Meet outside rather than inside where possible
- Try to keep 2 metres apart from people that you don't live with (unless you have formed a [support bubble](#) with them), this includes friends and family you don't live with
- Get tested twice a week and isolate if you are positive
- [Get vaccinated](#) when you are offered it, and encourage others to do so as well

Car Parking

We had a near miss reported outside school yesterday and complaints have started to come back into school about parking. This morning our coach for the Y5 TRIP was unable to access the school site due to the poor parking. Do not park on both sides of the road blocking emergency vehicle access, on pavements, on corners of roads, blocking neighbours' entrances and obstruct the safe passage of families coming into school. Keep our children safe.

Plant Request

We have removed the bushes and the topsoil has been delivered, so we are ready to plant the bed near into a mini sensory garden. If you have any cut offs or spare non-poisonous plants that you could donate, we would be very grateful -some herbs like rosemary, or some lavender or some nice tactile grasses.

Date reminder

Friday 28th May is a school closure day.
