PARENT/CARER'S NEWSLETTER

Dear Parents/Carers,

I just wanted to wish you and your families a very Happy Christmas.

This has been the most unusual autumn term that I have ever worked through in 22 years of headship, but I would like to take the opportunity to thank you all and the children for helping the team at Milton to make the best of it. Let's hope that the New Year brings some relief and a gradual return to some sort of normality for us all.

Have a wonderful Christmas in whatever form it is going to take shape, recharge those depleted batteries and we look forward to seeing you all back on the 4th January.

Best wishes,

Mrs Anna Reeder
